TOP OF CATEGORY

Not just for market leaders

Before visiting trade fairs, trade visitors research exhibitors in the product groups relevant for them (categories). Advertise specifically to the target market in your product group, and ensure that your company is highly visible. Your entry will be at the top, ahead of all other product group search results.

360° TRADE FAIR STAND PANORAMA

Welcome to your virtual trade fair

You invest a lot of time and money in presenting your trade fair stand. It's a pity that the trade fair is over so quickly.

- Panorama image for easy integration in your website
- From Content Plus: Interactive landscape with many points of view and configurable information panels and videos

WECHAT MOMENT NOTIFICATION

Like a tap on your shoulder

You can surprise WeChat users at strategically favourable locations in our exhibition centre with the new location-based services.

WeChat sends visitors a freely configurable push notification, which is displayed on their WeChat Moment. This guarantees you attention in this medium, when the visitors next check their smartphone at the latest! In this way, you can contact new visitors unobtrusively and guide them to your stand.

ONLINE BANNERS

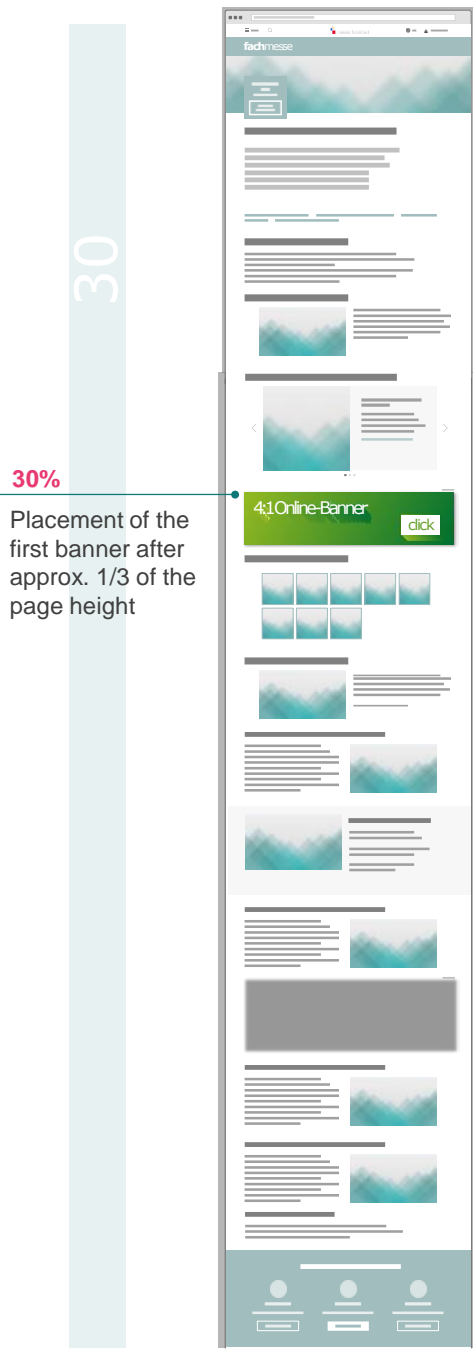

In the heart of the action

When redesigning the Messe Frankfurt websites, we created attractive advertising spaces for your online banners. This allows you to position your advertising prominently and ensures even better visibility. Use these popular and limited spaces to make your trade fair presentation even more effective.

We offer placements for online banners:

- On the homepage (selected trade fairs)
- In the Exhibitor search (Grid view & List view)

ONLINE BANNER POSITIONS ON THE HOMEPAGE

30%
Placement of the first banner after approx. 1/3 of the page height
