China International Trade Fair for Fibres and Yarns (YEA19)

中国国际纺织纱线(秋冬)展览会

Date: 25 – 27 September 2019 (Wednesday – Friday)

Venue: National Exhibition and Convention Center (Shanghai), China

Overseas Exhibitor Highlights**India Pavilion (Hall 8.2)**

Organizer: Federation of Indian Chambers of Commerce and Industry (FICCI) & The Cotton Textiles Export Promotion Council (TEXPROCIL) (**Stand number:** 8.2 – C40)

FICCI Textiles Committee works towards the holistic development of textiles industry in India. The objective of the committee is to work along with various stakeholders representing wide variety of sub-sectors of textiles industry like cotton, man-made, wool, silk, handlooms, Jute, handicrafts, apparels and technical textiles etc. Apart from major policy issues such as high cost of power and logistics, ground water extraction and availability of raw materials, FICCI has been actively involved with Government regarding various issues related to GST and Foreign Trade Policy for the sector.

Texprocil was set up in 1954 with a membership base of around 3,000 companies spread across major textile clusters in India nowadays. Its members are well-established manufacturers and exporters of cotton textile products like cotton, yarns, fabrics and home textiles, showcasing a dazzling array of products across the value chain.

Exhibitor highlights:**■ Jitendra Kumar Lalbhai *NEW**

With a past that stands tall and strong, Jitendra Kumar Lalbhai (JKL) has embarked on a novel journey in the textile industry with a process. A nascent beginning in 1965 with the hank yarn trading the big jump came in 1978 when JKL started with yarn indenting business. Bearing the philosophy that work always follows relationships, JKL has been successful in maintaining long-term relationships. Currently, JKL stands as one of the premier organisation which is into yarn indenting representing some of the best spinning mills of India.

Stand number: 8.2 – A31

■ Sanathan Textiles Pvt. Ltd.

The company (ISO 9001) is one of India's leading yarn manufacturers engaged in the production and export of Polyester, Texturized and Cotton Yarn. Since founded in 1943, it strives to provide customers with the best quality and variety of innovative yarns with world-class technical knowledge and first-hand experience of business in the yarn market over 75 years.

Stand number: 8.2 – C32

■ Sitaram Spinners Pvt. Ltd. *NEW

Located at Hyderabad, Sitaram Spinners is an enterprise of the MS Agarwal conglomerate. As one of the few quality conscious companies in India manufacturing 100% cotton ring spinning yarns. Sitaram Spinners has been sharpening its skills to become the perfect yarn artisan which has helped carve a reputation in the making of quality yarn.

Stand number: 8.2 – C35

■ S. P. Yarns

The company has been the pioneer in the textile industry with a vast range of products namely yarns, fabrics and cotton. S. P. Yarns has carved a niche for themselves in the complex international markets. It is a hallmark for quality at competitive prices. Everything that it produces passes through the rigid standard of quality.

Stand number: 8.2 – C39

Pakistan Zone (Hall 8.2)

There is no official pavilion, but we allocated all individual exhibitors in one area. Pakistan industrialists from all sectors including spinning mills were visible all over the exhibitions, browsing and negotiating for new technology to remain competitive. The exhibitors in this zone will mainly showcase their cotton, elastic, fancy, mélange and synthetic yarns in the fair.

Exhibitor highlights:**■ Idrees Textile Mills Limited *NEW**

Started in 1984, Idrees Textile Mills Limited was listed on Karachi and Lahore Stock Exchanges in 1992 as a proof of its fast growth. The principal activity of the company is manufacturing and sale of yarn and fabric such as cotton yarn, comber noil and bed sets. Installed with over 48,000 spindles, the company's annual output is near 1000 tons yarn.

Stand number: 8.2 – B51

■ Opulent International

Opulent Group of Companies was established in 1992 with the aim to provide buying agency services to international customers for the procurement of textile products from Pakistan, India Vietnam, Indonesia and Uzbekistan, as well as in domestic market. The company manages the sourcing requirements of clients by introducing them industry best suppliers, managing competitive prices and assuring quality and timely deliveries. Opulent provides variety of products including cotton yarn, siro yarn, mélange yarn and other special yarns as per buyers' request. Presently, with branches in China, Vietnam, Malaysia and Canada, the company has established strong business relations with customers in Asia, Europe and North America.

Stand number: 8.2 – B55

Birla Satellite (Hall 8.2)

This edition, Birla brought 7 exhibitors from China to exhibit at the fair. Birla is promoting their viscose staple fibres, manmade cellulose fibres named Birla Viscose, Birla Modal, Birla Excel and Birla Spunshades. Birla Jingwei was established in 2006 as a joint venture company between the Aditya Birla Group and the Fujian Jingwei Group (yarn mills), their product ranged in mid to high-end standard. Birla Jingwei caters mainly to domestic markets located in Fujian, Jiangsu, Zhejiang, Henan, Hubei, Hebei and Shandong.

Organizer: Birla Jingwei Fibres Co Ltd

Exhibitor highlights:**■ Jiangsu New Jinlan Textiles Apparel Co., Ltd. (China)**

Started at 1978, Jiangsu New Jinlan Textiles Apparel is an earlier professional melange yarn manufacturer in China. The company has 200,000 yarn spindles, and 8 scattered dyed product lines. The annual output has more than 20,000 tons with near 3000 tons yarn in stock. Jinlan brand is a leading brand of melange yarn in China.

Stand number: 8.2 – D55
