Located at the heart of financial and business centre Frankfurt, the exhibition grounds are among the largest and most modern worldwide with some 367,000 m² of hall area and approximate 60,000 m² of free space at its disposal. As well as excellent international transport connections by air, rail and road, the exhibition venue enjoys excellent public transport connections.

The S-Bahn suburban train station “Messe” stops in the centre of the exhibition grounds, the U-Bahn underground train station and the Strassenbahn tram station are located directly at the City Entrance/Festhalle.

The venue is extremely convenient for visitors and exhibitors alike – trade fair guests in Frankfurt can choose from a wide range of hotels with approximate 10,000 hotel rooms within walking distance of the exhibition grounds. Mobility-impaired visitors can move about easily: the Via Mobile covered moving walkway is a barrier-free access and connection network that joins together all halls on the exhibition grounds.

With their unique designs, renowned architects such as Helmut Jahn, Oswald M. Ungers and Nicolas Grimshaw gave Messe Frankfurt’s exhibition grounds an unmistakable look that dovetails perfectly with Frankfurt’s modern cityscape. Messe Frankfurt customers set great store by the highly functional nature of its halls and conference facilities, which are ideal for hosting a broad cross-section of events. With the Congress Center and Kap Europa, the company operates two congress centres as well. The new Hall 12 is currently being built in the western section of the exhibition grounds and will be going into operation in autumn 2018.

The Operation & Security Center is the central control room for all security-related matters. First aid station, police, security and all other security partners and service providers are found here under one roof.

Overview of trade fair halls, service and administration buildings

(Gross exhibition area in m²)

City Entrance & Hall 1	1989	18,000 m ²	Helmut Jahn

Background information on Messe Frankfurt

Messe Frankfurt is the world's largest trade fair, congress and event organiser with its own exhibition grounds. With more than 2,400 employees at 30 locations, the company generates annual sales of around €669 million. Thanks to its far-reaching ties with the relevant sectors and to its international sales network, the Group looks after the business interests of its customers effectively. A comprehensive range of services – both onsite and online – ensures that customers worldwide enjoy consistently high quality and flexibility when planning, organising and running their events. The wide range of services includes renting exhibition grounds, trade fair construction and marketing, personnel and food services. With its headquarters in Frankfurt am Main, the company is owned by the City of Frankfurt (60 percent) and the State of Hesse (40 percent).
