Secutech Vietnam marks 10th anniversary at largest ever edition this week

Fire & Safety Seminar and Global Digital Security Solutions Forum to stimulate discussion on second day of show

From 16 – 18 August, Secutech Vietnam is set to stage the largest ever edition to mark its 10th anniversary at the Saigon Exhibition & Convention Center, Ho Chi Minh City. Over 10,000 global visitors are expected to be in attendance to source a whole host of innovations for security products and solutions. As one of the most renowned security shows in Vietnam, this edition will address cross-sector collaboration between intelligent security solutions, smart buildings, smart city, home automation and fire safety and rescue opportunities.

This year, the number of exhibitors has risen by 10% to over 270 from 20 countries and regions (2015: 250 from 18 countries and regions). Held in one of the fastest growing economies in Asia, Secutech Vietnam attracts international suppliers from Australia, China, the Czech Republic, Germany, Hong Kong, India, Indonesia, Japan, Korea, Malaysia, Norway, the Philippines, Singapore, Taiwan, Thailand, Turkey, the UAE, the UK and the US.

Some of the leading security and fire brands include Bosch, Dahua, Everdigm, Force 21, GIGA, Hikvision, Honeywell, Nittan, Questek, Rapidrop, Seagate, Synology, Techpro and Vantech. During the show, these industry leaders will present their latest products and solutions such as video-based fire detection systems, interoperable video management software, visitor management solutions and fire-fighting drones across 9,000 sqm of gross exhibition space.

Three pavilions at this year's edition will further diversify the product variety found on the show floor. The Silversea Pavilion and the UL Pavilion, for example will bring their branded products to the show. The former focuses on integrated and smart security solutions, whereas the latter displays fire safety systems and technologies. Meanwhile, the KFI Pavilion houses a number of Korean companies to showcase their cutting edge innovations and technologies.

Fire & Safety Seminar and Global Digital Security Solutions Forum to stimulate discussion on second day of show

Secutech Vietnam not only generates new business opportunities for exhibitors, but also offers a variety of guest speakers and open discussions through forums and seminars. On the second day of the fair, representatives from leading security firms and associations will share insights and market trends in their areas of expertise at the Fire & Safety Seminar and the Global Digital Security Solutions Forum. These events help facilitate dialogue amongst experts and industry players from around the world.

The Fire & Safety Seminar will gather experts of EN3, Hilti Vietnam, KFI, Nhuan Phat, Prefco, Thai Son, UL, Vietsafe and Wizmart, to examine the most recent developments and applications of fire equipment. Advanced systems and applications of soft fire ropes, fire extinguishers, vacuum sprinkler systems and fire smoke dampers are just some of the many key topics expected to be discussed.

The Global Digital Security Solutions Forum, meanwhile, will centre on the theme, 'Play Smart in Security – Applying Smart Solutions with Utmost Added Values'. As part of the Forum, Becamex will provide a guest speech on a smart city case study in the Binh Duong province. What's more, topics ranging from surveillance to 3D Unified Management System presented by Bosch, Force 21, GIGA-TMS, Seagate and WD will discuss improving public safety.

Furthermore, the Asia Fire Protection Inspection Council General Meeting with its exclusive 10 member countries deals with issues in their respective markets, bringing all the leaders in fire safety industry to the show. There is also the Outdoor Demo Zone at the fair, featuring the latest fire equipment of Everdigm, VT Plus and EN3 such as aerial ladders and platforms.

Secutech Vietnam is supported by the Ministry of Public Security, the Ministry of National Defense, the Ministry of Science & Technology, the Ministry of Planning & Investment, the Ministry of Industry & Trade, the Ministry of Construction, and the Ministry of Transport.
